DIGITAL BANKING USER GUIDE

Welcome to Puerto Rico Farm Credit Digital Banking! Whether you're using a mobile phone, tablet, or laptop, we strive to make your online banking experience easy and convenient. This guide offers instructions for:

- Registering – page 1.
- Logging in – page 6.
- Resetting your password – page 7.
- Unlocking your password – page 10.

Getting started

Digital Banking system requirements

Puerto Rico Farm Credit Digital Banking supports Microsoft Edge, Google Chrome, Mozilla Firefox and Safari. Our recommendation is that borrowers maintain the latest version of their preferred browser to ensure that the latest security patches are in place.

If you don't see the loans you're looking for after registering, please use the feature at the bottom of the Account Summary page: "Don't see your loan? Click here to add it." Follow the prompts on the screen to add your additional loans.

How do I register?

- Type www.prfarmcredit.com into your browser and click **Digital Banking**, which is located at the top right-hand corner of the site.

Puerto Rico Farm Credit uses Okta for identity management. If you have previously used this service with us, you may already have a username and password.

- Click **Register** on the **Log in** page.

You must have the following information to register:

- Social Security number or taxpayer ID number.
- Account number or loan number.

TIP: Your loan number can be found at the top of your closing documents. Your account number can be found at the top of your billing statement.

- Enter your loan number or account number and the last four digits of your Social Security number or taxpayer ID number.
- Click **Next**.

Tip: If you're referring to a billing statement, please enter the last portion of the account number or loan number located at the top of your statement.

If you're referring to a loan document, please enter the last portion of the number in the following format: **123456789 or 123456-123.**

- On the next screen, enter your first name, last name and email address.
- Create your password and click **Next**.
